

CANEUS

2006

CANEUS 2006 Conference on
Micro-Nano Technologies for
Aerospace Applications

From Concepts to Systems

Toulouse, France
Aug. 27 - Sep. 1, 2006

Travel and Tourist Information

Dear Colleagues,

Welcome to CANEUS 2006, in the beautiful city of Toulouse, we are pleased to share with you this travel and tourist information dedicated to facilitating your travel arrangements and inspiring local visits and discoveries.

The following information and links are available for your review and recreation, do not hesitate to contact us or the organisation responsible for further details and assistance.

The City of Toulouse

Allow us to strongly suggest visiting the very enjoyable and helpful webpage of the Toulouse Tourist Office, which includes maps, accommodation information, promotes upcoming events and visits and provides an all round tableau of the city and what it has to offer. <http://www.ot-toulouse.fr/english/>

Airport Toulouse-Blagnac

If you are looking for information concerning the local Toulouse-Blagnac airport and various airfares and services offered (shuttles, etc.), please visit the website: <http://www.toulouse.aeroport.fr/US/default.asp?lque=2>. For flight booking, the IATA (International Air Transport Association) Code is **TLS** and the ICAO (International Civil Aviation Organization) Code is **LFBO**.

Hotel Information

For detailed list and contact information concerning accommodation in proximity to the **Centre de Congrès Pierre Baudis** where the CANEUS 2006 Conference will be held, please consult the CCPB's webpage.

<http://www.centre-congres-toulouse.fr/english/organiser/hebergement.html>

In addition, the direct link to the **Toulouse Tourist Office Accommodation** webpage will provide you with further possibilities of hotels in and around the city, facilitating travel arrangements for business and pleasure.

<http://www.ot-toulouse.fr/english/hebergements/index.lasso>

Please do not hesitate to contact us (pascale@caneus.org), should you have any questions or comments regarding any information and travel arrangements related to the CANEUS 2006 Conference, in Toulouse.

We look forward to seeing you there!
